HONOR GUARD

The Virginia Memorial Service has been enhanced by having departments and individuals from across the state show up to participate as part of the Virginia Honor Guard Team, led by Honor Guard Commander Ron Quesenberry of James City County Fire Department. In the past several years the Honor Guard has had 70 plus participants. Ron is aided in leading the Honor Guard by April Elmore of Va Beach Fire and Carlton Durham of Hampton Fire & Rescue. It is quite a sight to see firsthand the different uniforms and flags each department show up with to support this event. Many of these members pay their own way including their uniforms, flags, accessories, or in some cases their travel to this event and others across the region. Some travel from as far away as Va Beach, Alexandria, Salem, Winchester and Roanoke to support the Virginia Service .

Ron would love to see the number of departments with honor guard teams increase. There are many departments that have teams yet do not attend the Virginia Memorial Service. Please consider making this event part of your calendar for 2011.

Please contact Ron at the phone number below for more information or visit the VDFP web site and fill out the registration form to be included in further contacts. Chiefs, please feel free to forward this issue to your HG Members.
