Service will start promptly at 12 noon with the sounding of truck sirens. As the head of your department, we have selected you to be our point of contact for this and all future correspondence to make you aware of the event, what you and your department can do to assist us, times and locations as to when this will occur, etc. Should you wish to designate someone else in your department to receive all future correspondence, you need to send me an email (bjfirepro@aol.com).

Introduction to VA Fallen Firefighters Memorial Team

For those unfamiliar with our Memorial Service, this is the 14th annual hosting of the event. We have been at RIR Complex for the past several years which has allowed us to increase our attendance numbers greatly over hosting at the State Capital. The planning team is made of members from:

Virginia Department of Fire Programs / Virginia Honor Guard headed by Ron Quesenberry of James City FD / St Andrews Legion Bagpipers / Henrico Fire / Richmond Fire / Old Dominion Historical Fire Society / VA Department of Forestry / Chesterfield Fire / VA Beach Fire / Hampton Fire

Additional members are usually made up of those departments that have lost a member in the past year. New this year to our committee is a family member from last year's service which will give us insight to a family's perspective of the service.

If you wish to be part of the planning committee, please contact Mark Buff at VDFFP 804-249-1965. Our next meeting will be at VDFFP in Glen Allen, VA on December 7th at 11 a.m.
